

Personal Storage Solutions

Built to last - Delivered Fast!

EXPRESS
5 DAY
DELIVERY

FEATURES

- Semi concealed hinges for security & clean lines
- Door stiffeners give added strength & security
- Vents in top & bottom for improved air circulation
- Plinth base for rigidity
- Single tier lockers are fitted with hat shelf & double coat hook (Coat rail as standard on 450mm deep lockers)

The cam locks through the door into a slot in the frame to provide more rigidity & added security.

Shelves have an extended lip to provide a division between doors, offering protection against doors being prised open.

COLOURS

Light grey body with either light grey or blue doors.

Light Grey
(RAL 7035)

Blue
(RAL 5002)

Red
(RAL 3020)

LOCKS

Fitted with standard deadlock with plastic card holder supplied with 2 keys.

Biocote Protected

All painted components are protected with BioCote. BioCote is a patent-protected powder coating which inhibits the growth of potentially lethal bacteria and fungi. This reduces the risk of cross-contamination from surfaces with high contact frequency. Although this is no substitute for correct cleaning practices, the incorporation of BioCote into the manufacturing process provides users of our products with the peace of mind that every effort is being made to maintain a hygienic working environment.
